

OW2018

OPEN WINDOWS ANNUAL USER CONFERENCE

OCT 30 BRIS 01 NOV MEL

#OW2018

EXPERIENCE

OW2018 is an annual event that brings together Open Windows Software users from all over the country to collaborate, learn and network to enhance their user experience and management of the contract lifecycle.

The OW2018 conference is a one-day event and will be held in both Melbourne and Brisbane, the same schedule will run at both conferences, you can attend either event.

This is a free event for all Open Windows Software users.

“Excellent speakers and content. We are a “new kid on the block” and have come away confident and excited about Open Windows.”

“An excellent conference! It was informal, friendly with plenty of opportunity to provide feedback and learn about new developments. A day well spent!”

EXCEL

In its fifth year, Open Windows Annual User Conference attracts software end users and managers from all industry sectors.

OW2018 is the key to getting the most out of your software purchase. Discover new features, best practice guides and growth strategies to enhance your contract management discipline through engaging sessions with Open Windows staff members, experts and client case studies.

Learn

Gain skills, examples and strategies to take back and implement in your organisation.

Network

Engage with other Open Windows Software users to share strategies and experiences.

Prepare

Gain exposure to industry trends and product direction to help you prepare for the future.

Grow

Discover how to effectively scale use of the software within your organisation.
